*“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.”*

Hebrews 10:24-25 (NIV)

For over 100 years, faithful Aussie Christians have been taking the good news of Jesus into our schools to millions of children.

Over that time, while our nation has grown enormously in population and cultural diversity, the word of God has continued to be taught.

What a joy it is to know our loving heavenly Father is faithful and his word will not return to him empty.

What a privilege it is to know that as we drive by our local schools we can pray that the SRE and RI teachers there would teach clearly, that the students' understanding and faith may deepen and that the school community may be blessed.

Remember you are salt and light as you serve day-by-day in the school—your school—where God has placed you. Make the most of every opportunity. Be ready with a willing and loving answer for the hope you have.

We pray that you are encouraged by the love and goodness of God and by the potential for you to be used in ways you could never imagine. May it be so in your classroom, in your school, in your community.

Our sincere prayer is that God will continue to bless our nation through your service for the next 100 years and beyond.

Have a great 2023!

**God bless,  
The team at CEP**

### Investigating Peter

*Injumble the words to complete this summary of Peter's life.*

When Peter first met Jesus he was \_\_\_\_\_ (zaedam) and  
 \_\_\_\_\_ (hedmubl). After years of following Jesus and watching him  
 Peter realised he was truly the Son of God and he \_\_\_\_\_  
 phideprows) him.

Peter was \_\_\_\_\_ (seru fto smlehtf) and \_\_\_\_\_  
(lobd), promising that he would face any danger for Jesus. But when Jesus was  
arrested and Peter was in danger he became \_\_\_\_\_  
\_\_\_\_\_ (lufelar dan yowdlarc) even denying that he had ever met  
Jesus. He was filled with \_\_\_\_\_ (hasme) and was so \_\_\_\_\_  
(radatf) that he hid away in a locked room with Jesus' other disciples.

When the women brought news of Jesus' resurrection Peter and the other men \_\_\_\_\_ (d'tind elvlieb) the news. Jesus appeared to him in person and Peter was \_\_\_\_\_ (deerfrit). When he finally realized Jesus had truly risen from the dead he was \_\_\_\_\_ (vrejoodey).

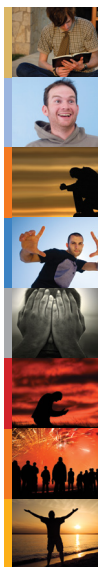

Jesus sent the Holy Spirit and Peter was filled with \_\_\_\_\_  
(donbessl) and powerfully preached about Jesus to thousands of people.  
Many believed him and also became followers of Jesus.

Acts 2:1–41; Luke 22:54–62 LESSON 8

### More than one kind of riches

Paul grew up as a rich kid living in a rich suburb. He started taking illegal drugs. Things went from bad to worse for him in the next 30 years. Then someone from a Christian organisation got Paul into a drug rehabilitation program.

Now he has become a Christian and doesn't ever take illegal drugs. He runs a drug rehabilitation program for that same organisation in another city.

Paul can say to his clients, 'I've been there. I know what it's like. And Jesus can help you get out'.

### A tale of Tracy

Tracy didn't go to church or Sunday school, yet somehow she was aware of God. She knew the local minister a bit because she'd seen him around her high school.

When Tracy was 13, her dad died. Some time later, on her way to school, she was passing the church and noticed the door was open. She went inside and was sitting and crying about her dad. Some ladies who went to that church asked if she was alright. The minister talked with Tracy and made her feel a little better.

When she was 16, Tracy had a job in a chemist's shop. The chemist was a Christian who often talked to Tracy about Jesus. He gave her a New Testament. After reading some of it, Tracy contacted the minister she had met five years before to say she had become a Christian and wanted to be baptised. She joined that church and worked as a Sunday school teacher. Now Tracy says, 'When I look back, I can see God's hand in it all, working through all those people'.

*Think about how these two people's lives were changed when they became followers of Jesus.*

# JONAH

The authentic life

## PROPHET OR POLYTHEIST?

The Israelites believed in only one God, and they believed that he spoke to his people through prophets—ordinary people who declared the words of God.

Polytheists—like the Ninevites and sailors that we will meet in the book of Jonah—believed in many gods. They did not recognise the Israelite God's claim to be the right ruler over the whole world.

### THE WORLD VIEW OF GOD'S PEOPLE

PEOPLE MIGHT HAVE THOUGHT THAT ...	BUT IN REALITY ...	WE SEE THIS IN VERSE ...
the bad situation meant that God wasn't in control		
God was not going to keep the promise that he made to Abraham, David and others		
God's saviour would only be for the Israelites, and not anyone else (non-Israelites were known as Gentiles)		
God was not going to send a king		
God was not going to free his people

### Stage 6A

*Term 1A – What is the meaning of life?*

Why looking at creation leads Christians to believe there is a creator. What the Bible says about the unique role humans have in creation.

*Term 2A – Jesus: fact or fiction?*

The stories of Jesus' life, miracles, death and resurrection are not only written about in the Bible, but have historical evidence to back them up.

*Term 3A – Jesus: dead or alive?*

What are the reasons Christians believe in, and historically have died for, the most unbelievable part of the Christian story?

*Term 4A – Jesus: myth, martyr or made-up?*

What would it have been like to hang out with Jesus? Top bloke? Religious nut? Or something else entirely?

### Stage 6B

*Term 1B – What's the problem with Christians?*

Why it is that Jesus' followers are so often not like him? And how can they fail to obey his commands?

*Term 2B – God: Good King or Sky-Bully?*

If God is good, why do bad things happen? How does the Bible explain why a good and powerful God can allow his people to suffer?

*Term 3B – Church: Social good or source of social injustice?*

Is church a building? A social club? Is it a group of goody-goody killjoys? Maybe it's something else entirely?

*Term 4B – What does Jesus have to do with me?*

This seminar wraps up all that students have learned in senior high and junior high, as well as primary school and asks: What does Jesus have to do with me?

## WHAT IS THE MEANING OF LIFE?

**What parts of creation does the writer focus on?**

What does he conclude about God?

The Law refers to God's instruction, the way he wants his people to live. Why does the writer shift from looking at God's creation to looking at God's instruction?

What does the writer conclude about God's instruction?

Verse 12: Can the writer follow God's instruction perfectly?

Verse 14: What does the writer conclude about his relationship with God?
